

The logo features the word "UTEK" in a large, bold, black sans-serif font, enclosed within a thin black oval border. Below the oval, the text "Lean Production Division" is written in a smaller, italicized, black sans-serif font.

UTEK

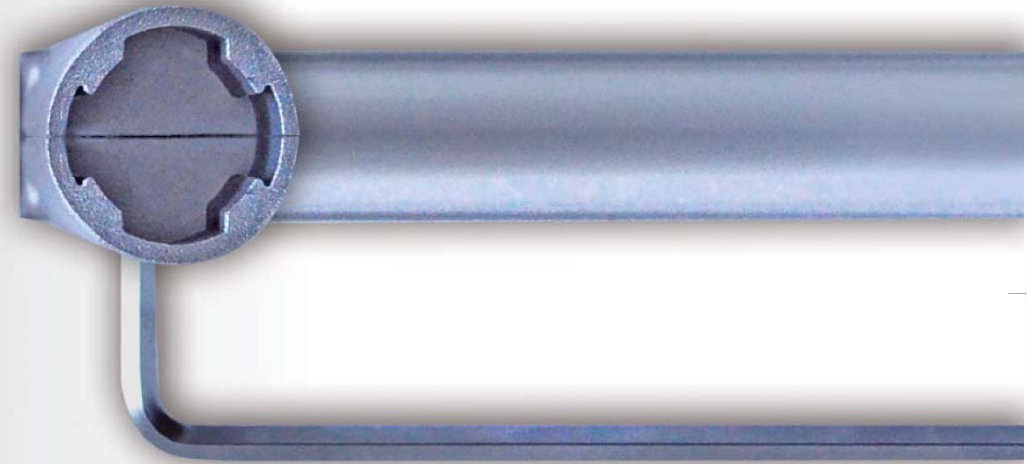

Lean Production Division

The background of the entire page is a close-up photograph of a silver-colored aluminum modular system. It shows various T-slotted profiles connected by brackets and bolts. A black pulley is visible on the right side, and a black cable or hose runs vertically alongside the main structure.

ALUMINUM MODULAR SYSTEM: PARTS LEGEND

Aluminum Modular System Terms of use

1. An improper modification of the product from its original form may cause the malfunction while in use as well as triggering the safety risk.
2. Engaging the product with an excessive level of shock may result in an inappropriate operation
3. Avoid the product or the structure to serve an overloaded duty.
4. The actual dimension of a product may not be exactly identical to the corresponding information indicated in this catalogue.
5. The individual or set products introduced in this catalog may be used with parts produced by other manufacturers. But please make sure it is done that way at your own risk. It is highly recommended that a structure is built of parts from one unique source.
6. A lifespan of product is subject to change depending on the condition of use

All technical data, images specification and etc. shown on this catalogue will probably be modified in order to improve quality of the products and services without prior notice. Please consult with the person in charge for more detail.
